Garcia: Livingston Sheriff Department Joins Operation Adopt-A-Family

LANSING – The Livingston Sheriff Department has joined Operation Adopt-A-Family to provide support to families whose loved ones have been deployed to serve in Iraqi Freedom, Senator Valde Garcia, R-Howell, announced today.

“As a Vietnam Veteran, I know how important it is to make providing support for military families a priority,” Bob Bezotte, Livingston County Undersheriff, said.

Senator Garcia and his colleagues in the Michigan Legislature founded Operation Adopt-A-Family to help military families receive community support while their loved ones are deployed.

“I am glad to see the department join this effort,” Garcia said. “With their mobility and experience, they can provide an extra element of safety and security for the families left behind.”

“The Livingston County Sheriff’s Department is very proud of Coalition troops,” Mr. Bezotte said. “As we watch the war unfold, our prayers are extended to the troops and their families in hopes for a safe return after the war concludes.”
